

**2023 MODR Postdoctoral Fellowship | Evaluation Rubric**

<b>Reviewer initials:</b>	<b>Applicant name:</b> <b>MODR supervisor:</b>
---------------------------	---

<b>1. Research achievements and potential (8 point maximum) – 0.5 mark increments</b>	
Curriculum vitae is organized and shows excellence, and/or a trajectory of excellence, and includes tangible contributions to metabolism research.	
Published research: quantity, quality and (potential) impact of contributions to metabolism.	
Track record relative to opportunity and career stage: Consider 1 <sup>st</sup> year PDF versus 5 <sup>th</sup> year PDF, consider previous resources and privilege relative to achievements	
<b>Score: /8</b>	<b>Reviewer comments and feedback:</b>

<b>2. Research proposal (2 point maximum) – 0.5 mark increments</b>	
200 word maximum	
Clear, concise	
Potential for excellence	
Feasible relative to timing and research environment	
Proposal scope can exceed 1 year duration of award	
<b>Score: /2</b>	<b>Reviewer comments and feedback:</b>

<b>3. Contribution to MODR research community (2 point maximum) – 0.5 mark increments</b>	
100 word maximum	
How will the applicant contribute to promoting excellence in research within the wider MODR research community?	
Is the proposal based on past contributions to MODR and is there an understanding of what is needed and can be achieved?	
Feasibility and defined timeframe	
<b>Score: /2</b>	<b>Reviewer comments and feedback:</b>

Is there a guarantee of support of at least \$20,000 per year from the supervisor or another award?

Yes    or    No    (circle one)
